Dear Dave,

We at Waste Connections appreciate the opportunity to service the City of Eastborough and value this business relationship we have and look forward to continuing this relationship into the future.

Per our agreement which reads January 1, 2014, Waste Connections may adjust the rates hereunder on an annual basis to reflect the percentage increases in the local Consumer (CPI) Price Index of the previous year. The CPI shall mean the average for all items shown on the Consumer Price Index-All Urban Consumers classified by population, either B/C or D calculated of the average of the first six (6) months of each calendar year(s). <http://www.bls.gov/data/> "I wanted to advise you and the City Council per our Agreement as of January 1, 2014, Waste Connections would apply a **CPI of 1.92 %**.

In addition, after the 1st initial year, Waste Connections reserves the right to adjust the rates hereunder on an annual basis at the agreement anniversary date based upon increases in fuel and landfill costs. WCI shall provide to the City of Eastborough 45 day notice of such cost increase.

The Pricing for this contract is, for every \$0.10 increase over \$4.00 per gal in diesel cost, residential rates will increase by 1% of their contracted rate along with annual rate & CPI that is allowed by this contract.

- Fuel on November 11th, 2013 is at \$3.798 per gallon. You will see NO added increase for the fuel and material to the CPI. See Website below (Midwest)
